SAY 'NHS NOT TRIDENT' THIS WEEK

As an expected half a million health service workers strike for fair pay on Monday we will be showing solidarity.

Health unions, including those like UNISON that call for Trident to be scrapped, will be taking action.

You can do the same on 18th October, and march with our NHS Not Trident banner on the TUC demo.

We have already had a great response - from new volunteers to hundreds of people saying they will be joining our bloc - so come and join with us on the day.

- **SCRAP TRIDENT ON THE TUC DEMO**
- **11am, Saturday 18th October**
- **Middle Temple Gardens, Embankment**

CAN'T MAKE THE DEMO?

You can still make a difference on the day by sponsoring our CND placards!

We need to raise £1,500 by Friday so we can make sure thousands of people hear our demand – time to Scrap Trident. That's just 150 CND supporters giving a tenner each.

MAKE A DONATION

- **£10** could pay for 5 No Trident placards
- **£25** could pay for transporting the placards to the demo
- **£100** could pay for our NHS not Trident banner to carry at the front of our Scrap Trident bloc

It's quick and easy to donate.

Help us make the biggest impact we possibly can next Saturday!
