**Speaker: Richard Outram,  
Secretary, Mayors for Peace UK/Ireland Chapter**

Richard Outram with the Mayor of Oldham at a tree-planting ceremony at Oasis Academy Oldham Nov 2021.  
The tree was grown from a seed from a tree which survived the Hiroshima bomb in 1945.

**Richard Outram has just been to Hiroshima & Nagasaki as a guest of their Mayors, and will tell us about his visit, about his work with Mayors for Peace, and how Abingdon & other towns can get involved.**

**In 2011 the Mayor of Abingdon formally expressed the town's support for nuclear abolition, and Abingdon has remained on the list of Mayors for Peace ever since, joining Oxford and Reading.**

**In November 2022 Salisbury City Council also voted to join.**
