

ME!

**Set me free
let me be
show the world
so they can see**

**don't be blind
don't be unkind
don't be foolish
use your mind**

**Lovely, lovely, lovellee life
shows me lots of things
like how to cope with myself
whilst dangling on life's strings**

**If I could write forever
it would not be enough
I'd still need another day
to jot something down in rough**

**Flow on through forever
with hopeful happy thoughts
Don't get caught up in trivia
Of wicked nasty thoughts.**
