Salisbury CND organises an annual Candle Float to commemorate the bombing of Hiroshima. This year's event attracted our largest crowd ever and received good coverage in the local media. We attended the anti-austerity march, the Burghfield Lock Down and the London march with the Pink Scarf. We were also at the original Pink Scarf event joining Aldermarston and Burghfield. More locally we organised a well attended public meeting and conducted a series of Peace Lessons in a local school, displaying the children's peace messages on Christmas trees in the local library.
