

A poster for "Experience Salisbury" is displayed. The poster features the "SALISBURY" logo in a yellow circle at the top left. The main text reads "Experience Salisbury" in large, bold, yellow letters. Below this, the website "www.experiencesalisbury.co.uk" is listed. Further down, it says "the ultimate guide to what's on in our modern medieval city" and includes social media icons for Instagram, X, and Facebook. The background of the poster shows a night scene with trees and lights. In the foreground, a white sign is pinned to the poster. The sign reads "GAZA CEASEFIRE VIGIL" and features a small image of a lit candle. Below the image, it says "OUTSIDE THE LIBRARY TODAY 4:15 - 4:45" and "BRING A CANDLE AND JAR EVERYONE WELCOME".

*Thank you to all who attended and shared in this half hour peace vigil.*

*We were brought together by our collective wish for a permanent ceasefire and an end to the inhuman suffering associated with war.*
