"Israel at war: What you need to know – day 567"

"Israeli lawmaker Moshe Saada of PM Netanyahu's Likud party said in an interview on Channel 14 that it's Israel's "duty" to starve Gazans. Criticizing the IDF chief, who reportedly said he does not intend to follow such a policy, Saada said,

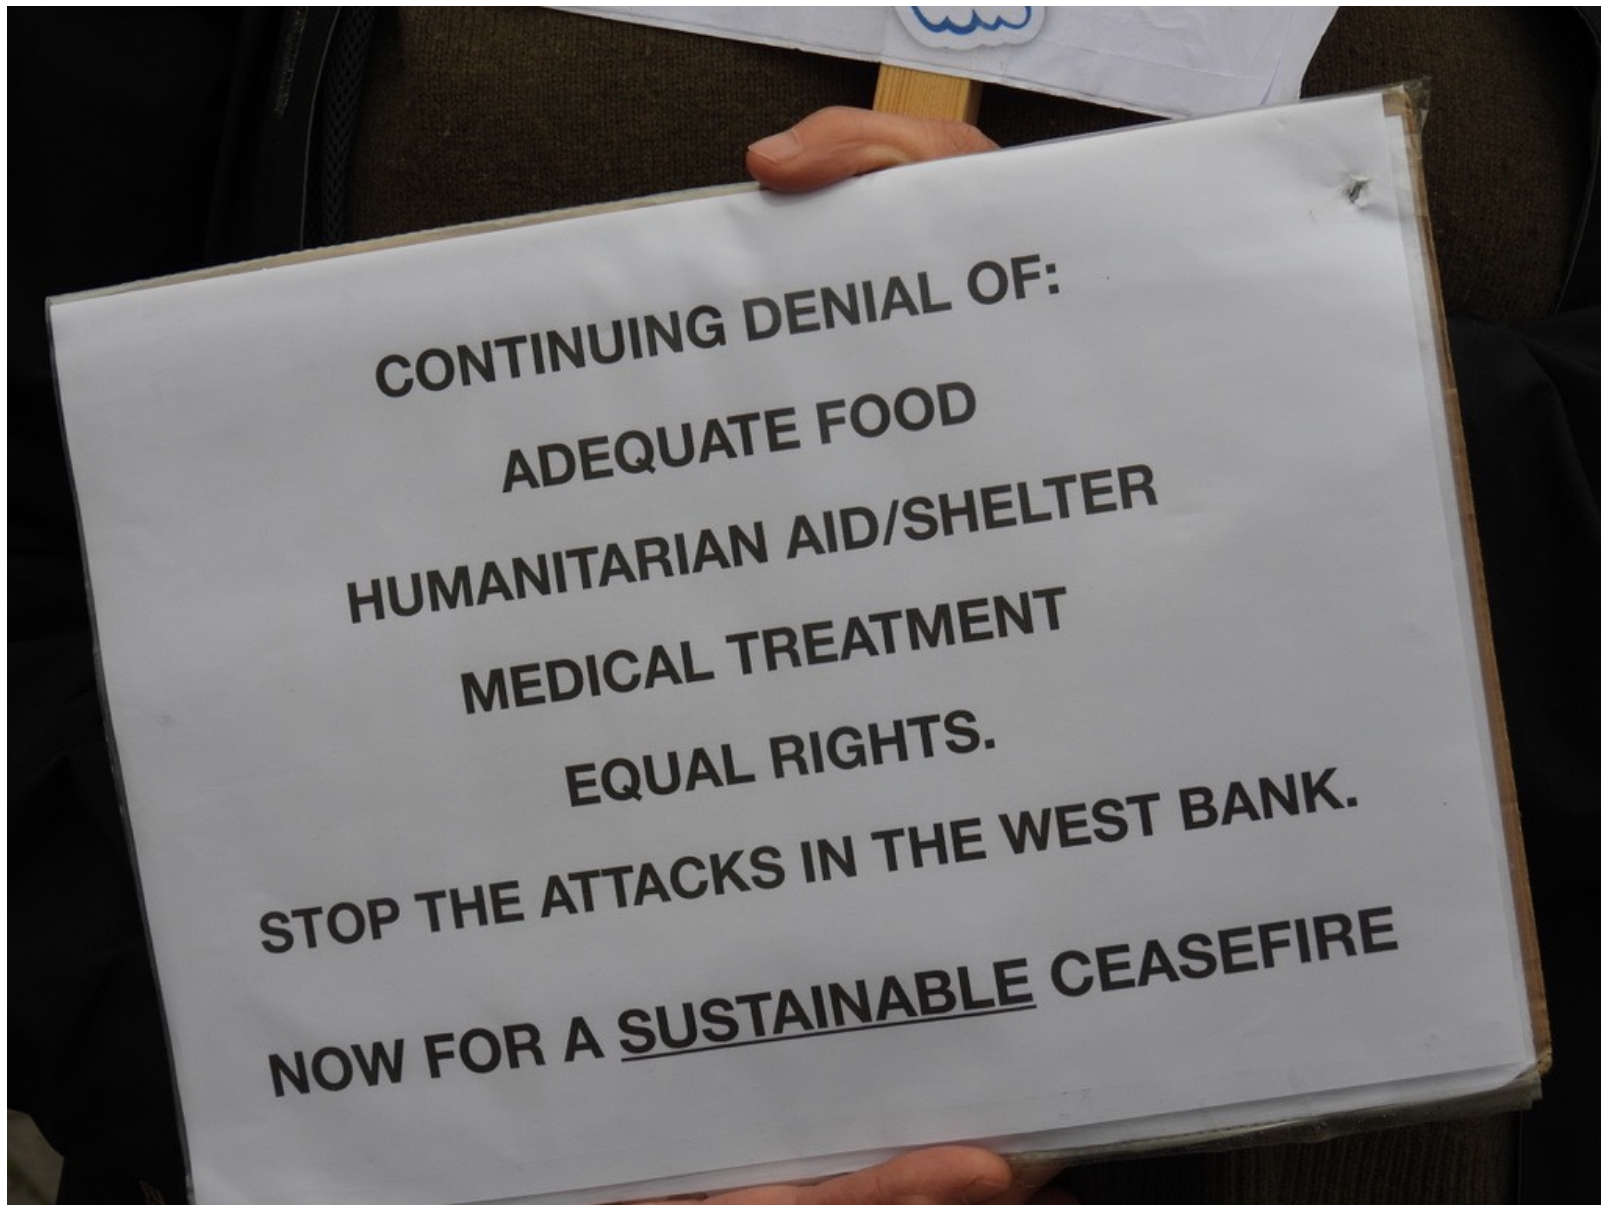

"I do intend to starve the Gazans – that's our duty. Our duty is to expel the Gazans."

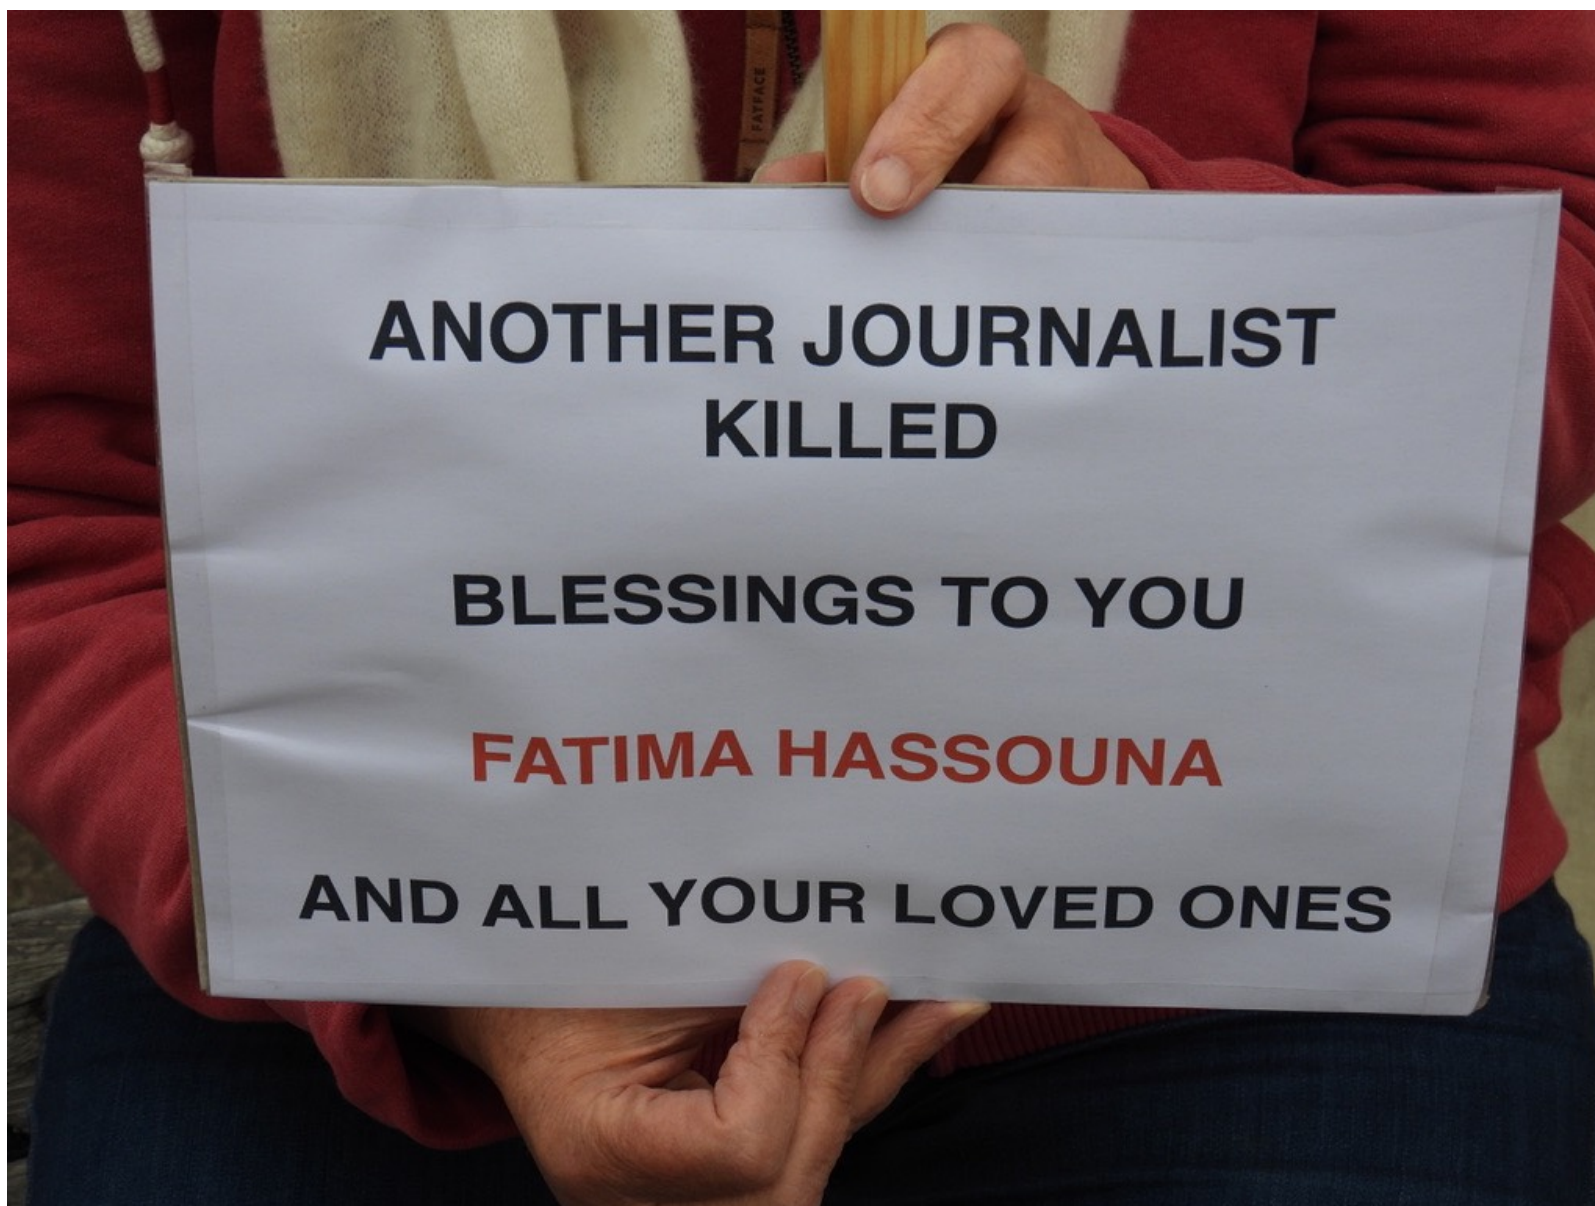

*Jehad Abusalim in Gaza stated :*

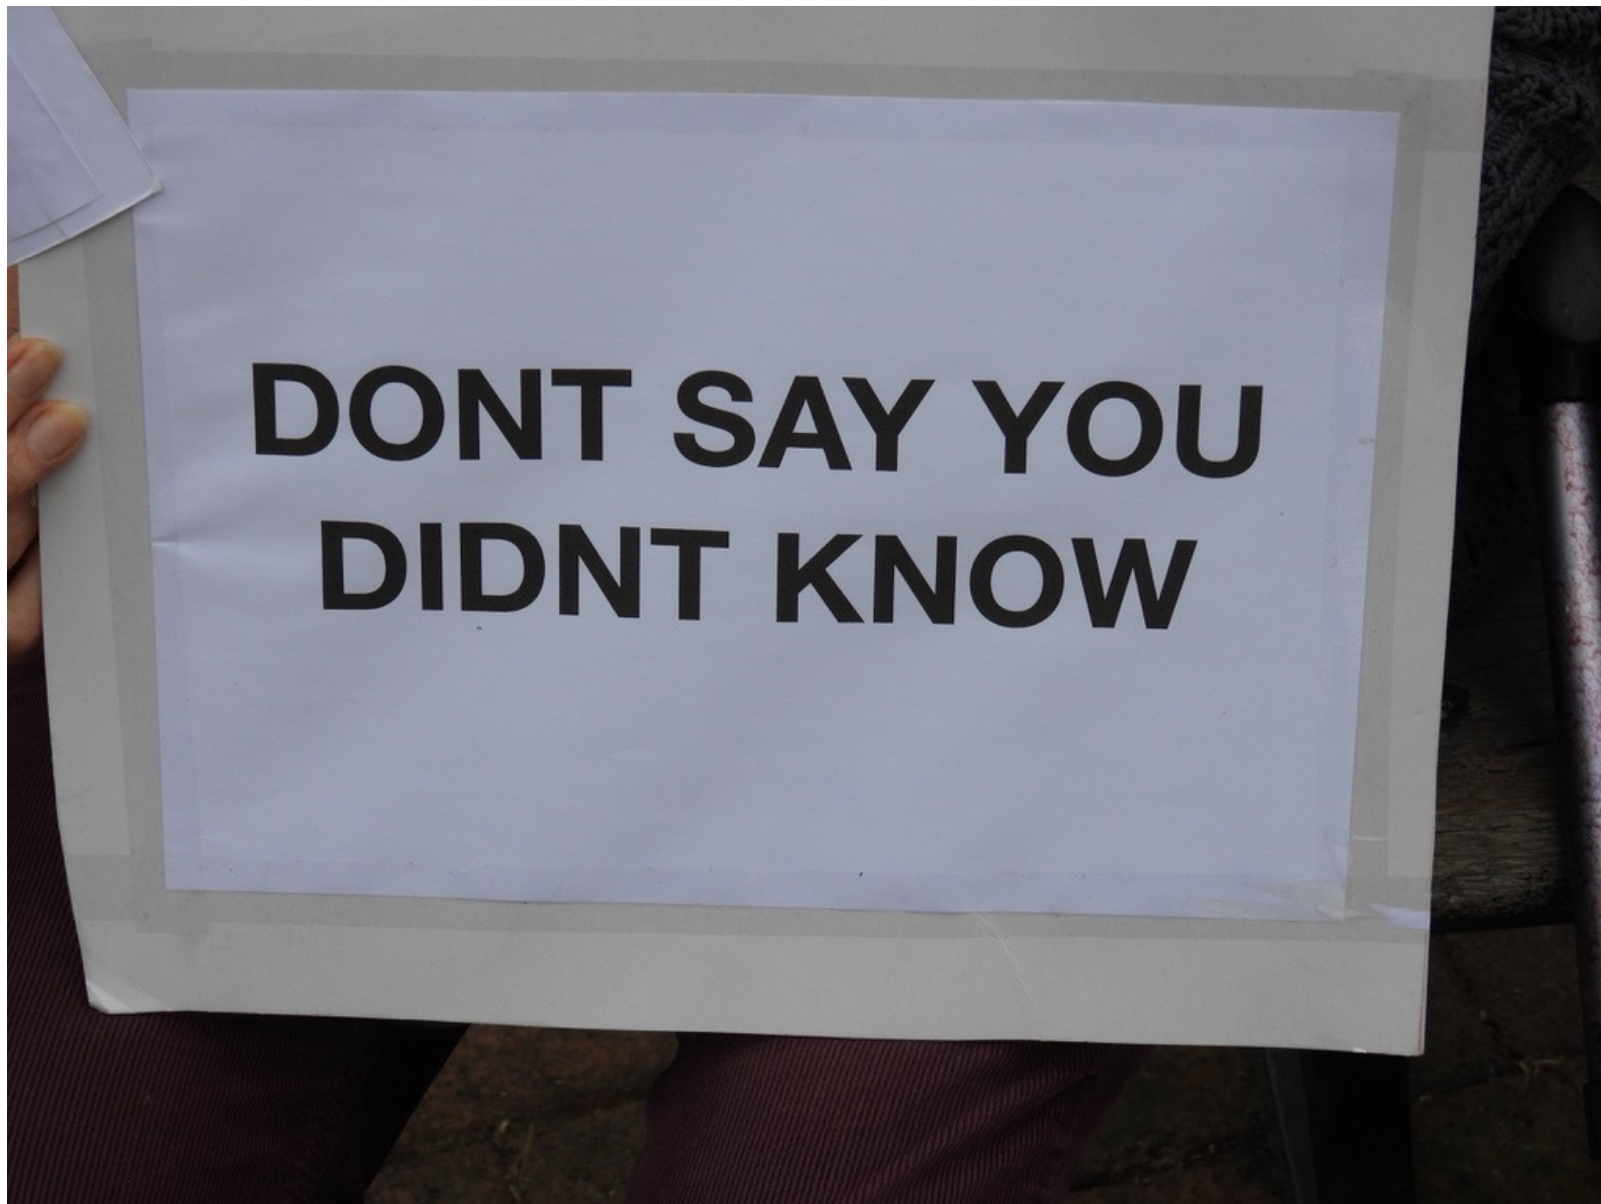

***"THIS IS ANNIHILATION.***

*There are no words left to capture  
the horror. Gaza is being  
obliterated people are being  
murdered, starved, and displaced  
for months on end."*

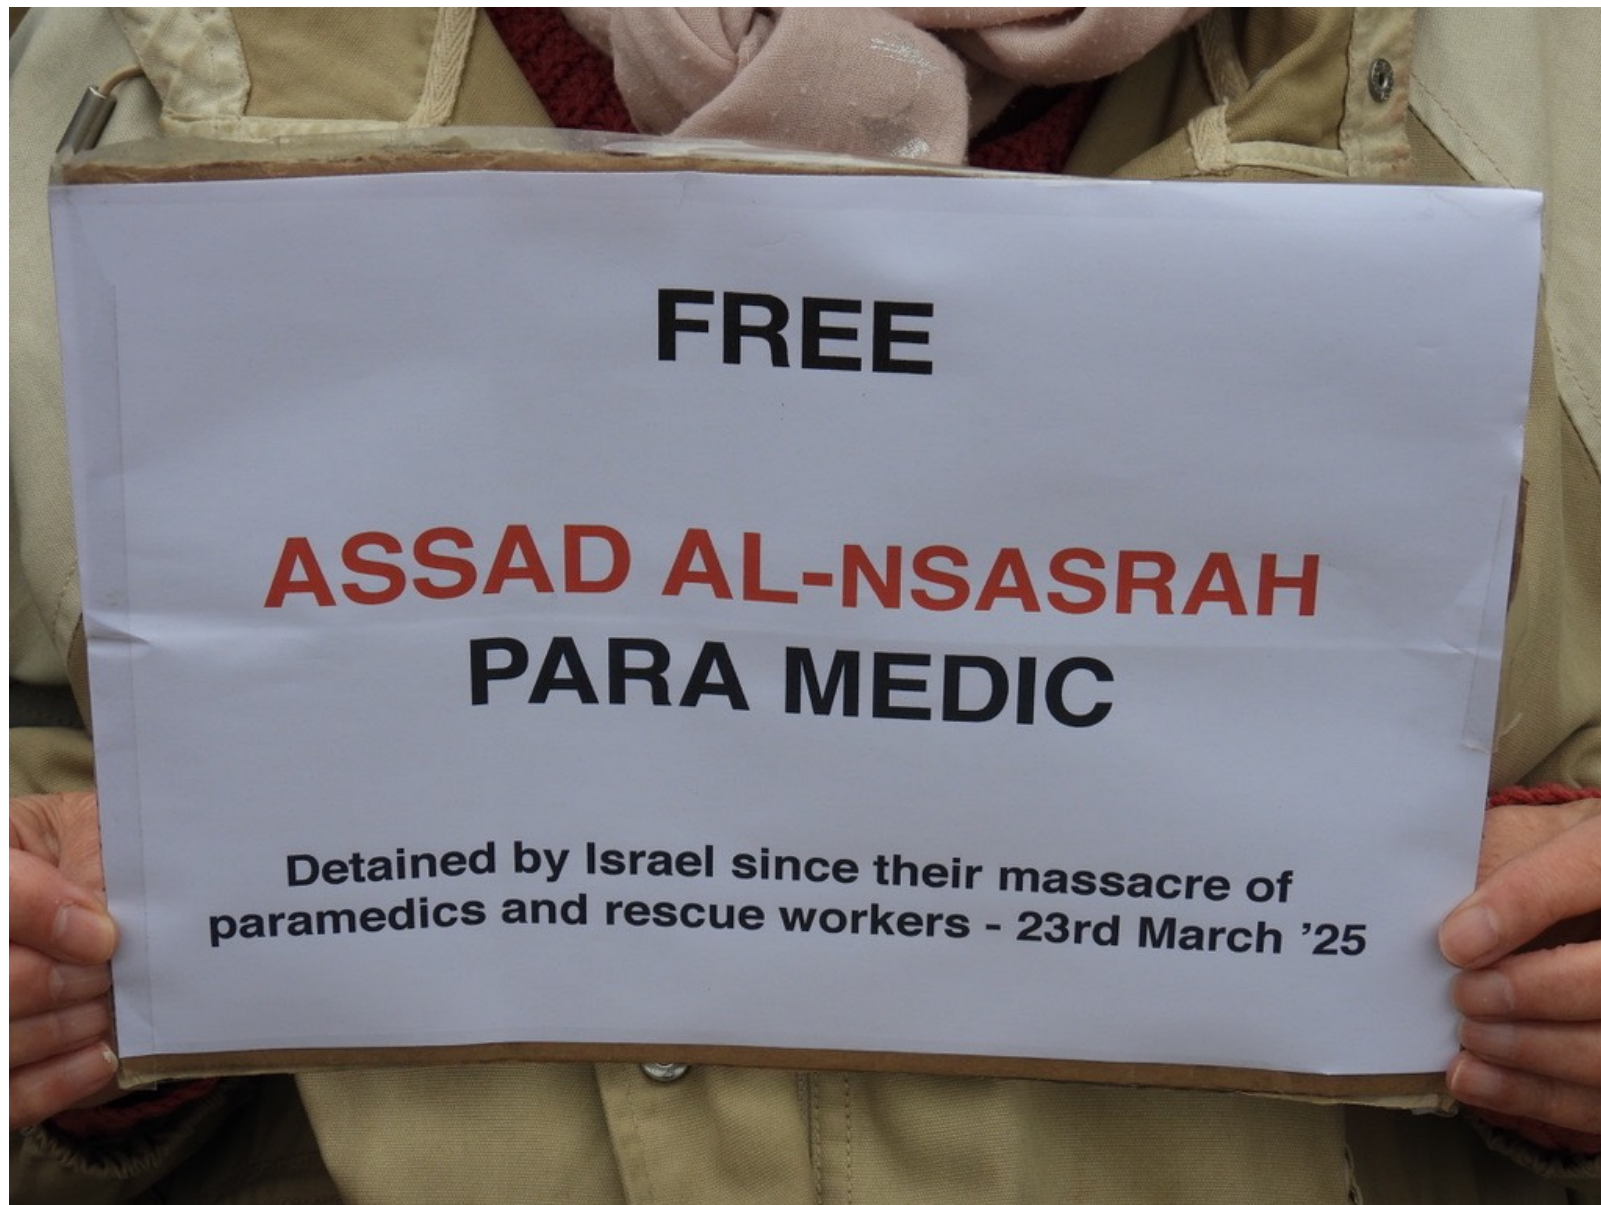

ISRAEL DON'T OUTLAW  
UNWRA

This is the main deliverer of  
refugee aid, food, health,  
education and social services  
to Palestinians for 70 years.  
Gaza has famine conditions.

Please take a moment to read this article about the mass starvation in Gaza
